

Office Location

Now located at 5695 Hood Street, West Linn, OR 97068

Follow these directions:

Maps will bring you to what looks like a 1-story building:

Park in the parking lot (if possible). There are 6 lined spots, 2 small cars can fit in the back corner near the building, 3-5 vehicles can park parallel to the bushes on the right, and 1-2 cars can park parallel to the side of the building on the left. There is also 1 parking spot on Burns St around the corner in front of the lower level entrance to the building (look for the part of the curb that IS NOT painted yellow--or take your chances?!), or you're welcome to parallel park along Burns St or Hood St, or in the Market of Choice parking lot if all else fails.

Walk on the sidewalk around the building, turning right down the hill onto Burns St. Enter the building on the lower level, on the Burns St side. **Watch your step--there's a drain through the walkway near the door that is about an inch lower than the rest of the walkway.**

Call me if you're not sure you're where you should be and I'll come find you.
503-318-9626

When you enter, **please take a seat in the waiting area and I will invite you into the treatment room at your scheduled appointment time.** The restroom is the second door on the left if needed.

Once you're more familiar with this new location, you may choose to turn from Hwy 43/Willamette Dr onto Burns St. You'll come to a 4-way stop at Burns St and Hood St:

From this 4-way stop, you can easily see if that 1 parking spot on Burns St in front of the lower level entrance is available (look for the part of the curb that IS NOT painted yellow--or take your chances?!). If so, grab that spot! If not, turn right onto Hood St and check our parking lot, or look for other street parking spaces.
